Miss M. Carr-Harris,

7 Queen's Park,

Toronto.

Dear Miss Carr-Harris:

I am sorry to receive your resignation though I hope that the new life upon which you are to enter so soon will bring you great happiness.

Am I to understand that you desire your resignation to go into effect at once, so that a new housekeeper may be engaged for the beginning of the year ?

With kind regards, I am,

Yours sincerely,

President.

Dear President Falconer

It is with sincere
regret that I now tender
my resignation as Housekeeper
at Queen Hall.

Miss Parkin has told
you of my engagement
and desire to be married
very soon - sooner than
I had at all expected -

of changing after so short a term of service -

There seems to be such a future for a place such as this and I feel very sorry to sever my connection with it -

Hoping you will forgive my giving you all this trouble and with sincere regrets

my fiancée has had to go to Porto Rico to a very lonely place and if possible it would seem that I ought to go too -

I should not have asked or expected release had not Miss Parkin very kindly suggested my doing so - and I am truly sorry to give you all the trouble

Believe me

Faithfully yours

Marguerite Carrothers
